Dear Parents

We are very pleased to announce the launch of the d6 School Communicator – an innovative and exciting new way the school will be using to communicate with parents. The d6 School Communicator keeps you up-to-date with what's happening at the school. It updates automatically and brings you all the latest news and calendar events. It also contains a photo gallery, contact list and a range of useful links and documents – everything you need to know related to your child. In order for us to improve our communication with you, we encourage you to install the d6 School Communicator on both your computer and mobile device.

Getting started

Installing the d6 School Communicator is dead simple. Download the installer from the School Communicator website: <http://www.d6technology.com/downloads/school> . While downloading click “save” and thereafter “run”.

You can also install the d6 School Communicator on your mobile device. There are specific apps available for iPhone and Android which can be downloaded from the App or Play Store respectively. For other mobile platforms, visit www.schoolcommunicator.mobi from your mobile browser, to access the mobi site.

Always up-to-date

News and relevant information is added by the school. Your d6 School Communicator will automatically update as new information is added.

Get only the news you want

You can select which information you'd like to receive. Click on the Personalize tab and select the relevant channels from the list provided.

Support

Please contact us if you have any questions or concerns. You can also contact the School Communicator support team if you experience any problems installing the School Communicator. Contact them on 0860 22 11 36 or support@school-communicator.com.

Thank you very much
